

Summertime Civic Scavenger Hunt

Dog days of summer got you down? Grab your camera, a few friends and head on out on a scavenger hunt! Show us how much you know your way around Clallam County. The rules are simple:

- Find as many of the places listed below as you can.
- Take a photo at each of the listed sites.
- You must appear in the photo to get credit.
- All photos must be taken in Clallam County.
- Don't go on private property without permission.
- Don't damage anything.
- In cases where there could be more than one site (i.e. the library), points will be given for each site for which you take a photo. There is an award for the most creative photos.
- Have fun!

Once you've taken all your photos, burn them onto a CD/DVD and deliver them in person or mail them to:
